Toronto, ON   M4W 3H1

Banner-Question Key

This detailed set of statistical tables shows survey results for the total general population and also by various subgroups of interest. For this table set there are three "banners" of subgroups, drawn from questions in the survey. The results have also been tested for significant differences within these subgroups. The statistical tests undertaken are an independent T-Test for means and independent Z-Test for percentages. The following key shows the questions used to create the banner subgroups and also what groups have been tested for significant differences in each of the banners.

```
Country Codes

 NORTH AMERICA:      CAN: Canada    USA: United States of America     MEX: Mexico

 CENTRAL AMERICA:    BEL: Belize    GUA: Guatemala    ELS: El Salvaor    HON-HONDURAS    NIC: Nicaragua    COS: Costa Rica    PAN: Panama

 SOUTH AMERICA:      VEN: Venezuala    GUY: Guyana    SUR: Suriname    COL: Colombia    ECU: Ecuador    PER: Peru
                     BOL: Bolivia    BRA: Brazil    PAR: Paraguay    CHL: Chile    URU: Uruguay    ARG: Argentina

 CARIBBEAN:          JAM: Jamaica    HAI: Haiti    DMR: Dominican Republic    T&T: Trinidad & Tobago
```

In the tables that follow, **upper case letters** under the percentages indicate subgroup differences that are significant at the **95% level**.
